CITIZEN'S CHARTER

ABOUT PMCH

Pacific Medical College and Hospital (PMCH) brings together a dedicated team of physicians, nurses, and other health care professionals to provide the highest standards of medical treatment across all basic specialties. Cardiology, Urology, Neurology, Neurosurgery, Nephrology and joint replacement centers are already functional. More super specialties will be added shortly. Major imaging facilities such as CT & MRI scans are available.

Our extensive infrastructure comprises of 9 modern operating theatres, 460 beds laid in wards, 25 casualty ward and 55 fully equipped intensive care beds. There are well furnished 45 private rooms available.

OBJECTIVE

This Citizen's Charter is an expression of our commitment to provide efficient, responsive & transparent service to our valued patients. It is an attempt to bring the institute closer to its patients & the society at large. The Charter is made to provide a framework, which will enable our users to know:-

- ❖ What services are available in this institute?
- ❖ The quality of services they are entitled to.
- ❖ To obtain feedback and suggestions.
- ❖ The means through which complaints regarding denial or poor Quality of service will be redressed.

MISSION

The institute's mission is to provide outstanding, yet affordable medical care in a patient friendly environment and in a spirit of compassion to all, regardless of race, caste, creed, sex, religion etc. PMCH is a non-profit organization dedicated to

CITIZEN'S CHARTER

establishing a center of excellence in health care and improving the well-being of the community through quality programmes of preventive medicine, medical education and research.
